RE: Survey and Design Fee Proposal for
Goose Creek Sanitary Gravity Sewer System Connection

Mr. Hodnett:

Thank you for the opportunity to submit this proposal for the above referenced project. Below is a listing of proposed survey and design costs. The supporting documentation for the estimated data is also attached for your use and evaluation.

1.	Estimated Topographic survey and Easement Preparation	$5,810.00
2.	Permit Coordination and Document Preparation	$500.00
3.	Estimated Engineering Cost (not to exceed) (includes Decommissioning existing package WWTP)	$52,710.00

Please call if you have any question or need additional information.

Sincerely,

Linda Sullivan
