

RESOLUTION 2014-98

A RESOLUTION APPROVING A DEVELOPMENT PLAN FOR WATER’S EDGE PUD SUBDIVISION, LOCATED AT 4413 SOUTH CAROTHERS ROAD, BY THE CITY OF FRANKLIN, TENNESSEE.

WHEREAS, The PUD process is a review procedure that is intended to encourage innovative land planning and design and avoid the monotony sometimes associated with large developments by:

- (a) Reducing or eliminating the inflexibility that sometimes results from strict application of zoning standards that were designed primarily for individual lots;
- (b) Allowing greater freedom in selecting the means to provide access, light, open space, and design amenities;
- (c) Encouraging a sensitive design that respects the surrounding established land use character and natural or man-made features of the site including, but not limited to, trees, historic features, streams, hillsides, and floodplains;
- (d) Promoting quality design and environmentally sensitive development by allowing development to take advantage of special site characteristics, locations, and land uses; and
- (e) Allowing deviations from certain zoning standards that would otherwise apply if not contrary to the general spirit and intent of this ordinance.

WHEREAS, The PUD review process consists of a Development Plan that is reviewed and approved by the BOMA, after a recommendation from the FMPC.

NOW, THEREFORE, BE IT RESOLVED by the Board of Mayor and Aldermen of the City of Franklin, Tennessee, meeting in regular session this _____ day of _____, 2015:
