

Standard Procurement Terms and Conditions

City of Franklin, Tennessee

1. Assignment/Subcontracting. Neither party may assign any rights or obligations under these Standard Procurement Terms and Conditions, or any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply, without the prior written consent of the other party. These Standard Procurement Terms and Conditions, and any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply, will be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Vendor may subcontract any portion of the work only with the prior consent of the City, but such subcontracting will not relieve Vendor of its duties under these Standard Procurement Terms and Conditions and any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply.
2. Time of the Essence. The parties agree that TIME IS OF THE ESSENCE with respect to the vendor's performance of all provisions of the contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply.
3. Taxes. As a tax-exempt entity, the City shall not be responsible for sales or use taxes incurred for products or services. Upon request, the City shall supply Vendor with a copy of its Sales and Use Tax Exemption Certificate. Vendor shall bear the burden of providing its suppliers with a copy of the City's tax exemption certificate and shall assume all liability for such taxes, if any, that should be incurred.
4. Notices. Any notice provided pursuant to these Standard Procurement Terms and Conditions, or any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply, if specified to be in writing, will be in writing and will be deemed given: (a) if by hand delivery, then upon receipt thereof; (b) if mailed, then three (3) City business days after deposit in the mail where sender is located, postage prepaid, certified mail return receipt requested; (c) if by next day delivery service, then upon such delivery; or (d) if by facsimile transmission or electronic mail, then upon confirmation of receipt. All notices will be addressed to the parties at the addresses set forth below (or set forth in such other document to which these Standard Procurement Terms and Conditions apply, or such other address as either party may in the future specify in writing to the other):

5. Confidentiality and Proprietary rights. Vendor waives any right to confidentiality of any document, e-mail or file it fails to clearly mark on each page (or section as the case may be) as confidential or proprietary. Proprietary rights do not extend to the data created by the City's users of the System; all rights to that data (including derivative or hidden data such as metadata) shall vest solely in City at the moment of creation and City shall retain exclusive rights, title, and ownership of all data and images created therefrom at the moment of creation and utilization, through and including image creation. City may be required to disclose documents under state or federal law. City shall notify Vendor if a request for documents has been made and shall give Vendor a reasonable opportunity under the circumstances to respond to the request by redacting proprietary or other confidential information. In exchange, Vendor agrees to indemnify, defend, and hold harmless City for any claims by third parties relating thereto or arising out of (i) the City's failure to disclose such documents or information required to be disclosed by law, or (ii) the City's release of documents as a result of City's reliance upon Vendor's representation that materials supplied by Vendor (in full or redacted form) do not contain trade secrets or proprietary information, provided that the City impleads Vendor and Vendor assumes control over that claim.
6. Derivative Works. To the extent that the Agreement contains Vendor's reservation of rights, such definitions and limitations are superseded by the following: "Derivative Work" means a program that is based on or derived from one or more existing programs or components. If the original software is modified to create a new program, a derived work is created. If the original software was designed to accept plug-ins or drivers using a defined mechanism, such a driver or plug-in does not form a derived work. Linking to a library in the way it was designed to be interfaced with, does *not* constitute deriving a work. "Derivative work" is *not* the data that the Licensee inputs, manipulates, modifies or otherwise improves, nor the images resulting therefrom.
7. Arbitration/Mediation. No arbitration shall be required as a condition precedent to filing any legal claim arising out of or relating to any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply. No arbitration or mediation shall be binding.
8. Waiver. Neither party's failure or delay to exercise any of its rights or powers under these Standard Procurement Terms and Conditions, or any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply, will constitute or be deemed a waiver or forfeiture of those rights or powers. For a waiver of a right or power to be effective, it must be in writing signed by the waiving party. An effective waiver of a right or power shall not be construed as either (a) a future or continuing waiver of that same right or power, or (b) the waiver of any other right or power.
9. Warranties/Limitation of Liability/Waiver. City reserves all rights afforded to local governments under law for all general and implied warranties. The City does not waive any rights it may have to all remedies provided by law and therefore any attempt by Vendor to limit its liability shall be void and unenforceable.
10. Severability. If any term or provision of these Standard Procurement Terms and Conditions is held to be illegal or unenforceable, the validity or enforceability of the remainder of these Standard Procurement Terms and Conditions will not be affected.

11. Precedence. In the event of conflict between the provisions of these Standard Procurement Terms and Conditions and that of any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply, the provisions of these Standard Procurement Terms and Conditions will to the extent of such conflict take precedence unless such document expressly states that it is amending these Standard Procurement Terms and Conditions.
12. Indemnification. Vendor agrees to indemnify and save the Government of Franklin, the City of Franklin and individual, on or off duty, officers, and employees of the City of Franklin, harmless from any and all losses, damages and expenses, including court costs and attorneys' fees, by reason of any loss, whatsoever, arising out of or relating to or in consequence of the work done in connection with any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply, excepting only such losses as shall be occasioned solely by the negligence of the City of Franklin.
13. Additions/Modifications. If seeking any addition or modification to any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply, the parties agree to reference the specific paragraph number sought to be changed on any future document or purchase order issued in furtherance of any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply, however, an omission of the reference to same shall not affect its applicability. In no event shall either party be bound by any terms contained in any purchase order, acknowledgement, or other writings unless: (a) such purchase order, acknowledgement, or other writings specifically refer to any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply or to the specific clause they are intended to modify; (b) clearly indicate the intention of both parties to override and modify any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply; and (c) such purchase order, acknowledgement, or other writings are signed, with specific material clauses separately initialed, by authorized representatives of both parties.
14. Applicable Law; Choice of Forum/Venue. These Standard Procurement Terms and Conditions and any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply are made under and will be construed in accordance with the laws of the State of Tennessee without giving effect to any state's choice-of-law rules. The choice of forum and venue shall be exclusively in the Courts of Williamson County, TN.
15. Termination. Unless the City has indicated otherwise in the contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply, either party may terminate the contract or agreement or purchase order or other procurement to which these Standard Procurement Terms and Conditions apply, with or without cause, upon thirty (30) calendar days' notice to the other. Upon termination by the vendor, the City shall be entitled to retain ownership of any and all goods and equipment purchased. Upon termination by the City, the vendor shall be entitled to receive any amounts due as a result of goods and equipment already delivered and/or services already rendered; however, the City shall maintain ownership and control of any goods and

equipment purchased. Upon termination of services, whether connected or unconnected to goods and equipment, such services shall be rendered until the conclusion of the 30th calendar day as stated in the notice or until a contractual benchmark has been achieved, or as the parties may otherwise agree.

16. Breach. Upon deliberate breach of these Standard Procurement Terms and Conditions, or of any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply, by either party, the non-breaching party shall be entitled to terminate the contract or agreement or purchase order or other procurement to which these Standard Procurement Terms and Conditions apply without notice, with all of the remedies it would have in the event of termination under section 10 (“Severability”) above, and may also have such other remedies as it may be entitled to in law or in equity.
17. Default. If Vendor fails to perform or comply with any provision of these Standard Procurement Terms and Conditions, or of any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply, then the City (i) may cancel the contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply, in whole or in part, without penalty or protest by Vendor; (ii) may consider such failure to perform or comply as a breach of contract; (iii) reserves the right to purchase its requirements from the vendor that submitted the next lowest and best responsive and responsible bid, or the vendor that submitted the next best proposal, if that vendor will still honor that bid or proposal, or to seek new bids or proposals, or to pursue one or more other options available to the City in compliance with its then current purchasing policy; and (iv) may hold the defaulting vendor liable for all damages provided by law, including cost of cover.
18. Entire Agreement. These Standard Procurement Terms and Conditions, including any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply, constitutes the entire agreement between the parties and supersedes any prior or contemporaneous communications, representations or agreements between the parties, whether oral or written, regarding the subject matter of these Standard Procurement Terms and Conditions. The terms and conditions of these Standard Procurement Terms and Conditions may not be changed except by an amendment expressly referencing these Standard Procurement Terms and Conditions by section number and signed by an authorized representative of each party.
19. Survival. These Standard Procurement Terms and Conditions shall survive the completion of or any termination of any contract, agreement, purchase order or other procurement to which these Standard Procurement Terms and Conditions apply.
