Monique

A team from Leadership Franklin has approached us on installing a bike rack as an arts project. The proposed "bike rack" is approximately 10' x 4' x 5' and is to be located adjacent to the sidewalk in front of the ATM on 2<sup>nd</sup> Avenue at Landmark Bank building. The owner of the site, is Harpeth Office Associates LLC, which is 100% owned by Harpeth Associates LLC. We approve of the location and have also agreed to maintain the "bike rack" moving forward. We support the Arts for Downtown and look forward to the installation.

If you have any questions please don't hesitate to call me.
