

## Notice of Authorized Distributor

August 11, 2014

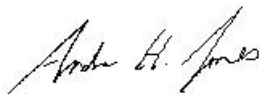

Dear Sir/Madam,

This letter is to inform you that Masimo Corporation has designated its subsidiary, Masimo Americas Inc., as the sole distributor of the Rad-57 enabled with rainbow parameters such as SpCO, SpMet, and SpHB combined with a MasimoCare Protection+ Ext Service Package to the EMS and pre-hospital care markets in the United States. No other distributor has been authorized to distribute these products to your institution.

Masimo Corporation reserves the right to authorize other distributors to distribute these products in the future but as of the date of this letter has not done so.

Masimo's products are revolutionizing patient monitoring, improving patient care, and helping save lives. Thank you for considering Masimo products.

Best regards,

Andy Jones

*Vice President of U.S. Alternate Care Sales*
