REMARKS:

Patricia-
Redemption City Church is looking at building off Clovercroft Drive. The property is currently in the County and sewer is over 1500 feet away from the site. Paul Holzen and I have had some conversations about providing sewer/annexing the property into the City. He ultimately suggested we submit an availability letter so we can have a formal decision. I have attached the documentation for your review. Please call me with any questions. Thanks!

Jeff
