which property may be further referenced as property of record in Deed Book 2547, Page 304, of the Register's Office of the above named county and may be further described according to Exhibit "1" attached hereto and incorporated herein by reference as if set forth herein at length verbatim, if attached, to install, construct, reconstruct, rephase, operate and maintain an electric transmission and/or distribution line or system and/or any other service permitted by law, on or under the above described lands and/or in, upon or under all streets, roads or highways abutting said lands; to inspect and make such repairs, changes, alterations, improvements, removals from, substitutions and additions to its facilities as Cooperative may from time to time deem advisable, including, by way of example and not by way of limitation, the right to increase or decrease the number of conduits, wires, cables, poles, guy wire and anchors, hand holes, manholes, connection boxes, transformers and transformer enclosures; to cut, trim and control the growth by chemical means, machinery or otherwise of trees and shrubbery located within 20 feet of the center line (a total of 40') of said line or system, or any tree that may interfere with or threaten to endanger the operation and maintenance of said line or system (including any control of the growth of other vegetation in the right-of-way which may incidentally and necessarily result from the means of control employed); to prohibit, prevent and restrict the planting and/or maintenance of any trees, shrubbery or vegetation not approved in writing by Cooperative (except those trees that appear on the Cooperative approved standard planting guide) which approval may be withheld by Cooperative in its sole discretion if it determines said trees, shrubbery or vegetation may in the future interfere with or threaten to endanger the operation and maintenance of said line or system; to prohibit the planting of any trees, shrubbery or vegetation within 15' of a pole or transformer; to keep the easement clear of all buildings, structures or other obstructions; and to license, permit or otherwise agree to the joint use or occupancy of the lines, system or, if any of said system is placed underground, of the trench and related underground facilities, by any other person, association or corporation for electrification, other utility or commercial purposes, or for any other service permitted by law. The undersigned hereby expressly releases any claims, demands, actions, or causes of action for trespass related to the Cooperative's use of this Right of Way Easement as described herein.

The undersigned agree that all poles, wires and other facilities, including any main service entrance equipment, installed in, upon or under the above-described lands at the Cooperative's expense shall remain the property of the Cooperative, removable at the option of the Cooperative.

With respect to the planting or maintenance of any trees, shrubbery or other vegetation within twenty feet (20') of the centerline (a total of 40') of said line or system, the undersigned must secure in advance the written approval of the Cooperative which approval may be withheld by Cooperative in its sole discretion if it determines said trees, shrubbery or vegetation may in the future interfere with or threaten to endanger the operation and maintenance of said line or system.

If any portion of the lines or system is placed underground, the right-of-way herein granted includes the right to install and maintain guy additions to overhead lines onto property of the undersigned.

The undersigned covenant that they are the owners of the above-described property.

IN WITNESS WHEREOF, the undersigned have set their hands and seals this 8th day of January, 2020.
