City of Franklin Contract No. 2013-0016

Dear Paul,

Paul Collins has reviewed with me your discussion of City Agreement 2013-0016 as it relates to payments and preparation of closure of the contract. During this review, it was discovered that SEI's Invoice 013-067 which was submitted for reimbursement by the City to Trillium Farm, LP has not been received. Therefore, please find attached SEI's Invoice 013-067, dated September 4, 2013 that is being submitted for reimbursement to Trillium Farms, LP.

Once pavement remediation work have been made and accepted by all parties at Carothers Parkway/Parkworth Drive, Trillium Farms will be ready to proceed with closure of City Agreement 2013-0016. Our records indicate construction payments for the final riding surface (\$48,000) and project retainer (\$35,426.75) will need to be made to Mountain States. Upon final payment to Mountain States, a Change Order will be prepared to reconcile the budget.

Please call if you have any questions.

Sincerely,

Trillium Farms LP
