

**RESOLUTION 2019-34**

**CONSIDERATION OF INITIATING THE ANNEXATION PROCESS AND DRAFT PLAN OF SERVICES, RESOLUTION 2019-34, FOR THE ANNEXATION OF 4331 LONG LANE (SUNSET FARMS)."**

**WHEREAS**, Chapter 2 Investments, LLC, ("Owner") of property located at 4331 Long Lane ("Property") petitioned the Board of Mayor and Aldermen (BOMA) of the City of Franklin, Tennessee ("City"), to annex the Property adjoining the City limits and located within the Franklin Urban Growth Boundary ("UGB"); and

**WHEREAS**, it is believed it is in the best interest of the City to further investigate the area petitioned to be annexed to consider the area for future development in accordance with City standards;

**WHEREAS**, this resolution shall not bind the City to later annex the Property; and

**WHEREAS**, Tennessee Code Annotated (T.C.A.) § 6-51-102, as amended, requires that a Plan of Services be adopted by a municipal governing body prior to the passage of an annexation resolution.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF MAYOR AND ALDERMEN OF THE CITY OF FRANKLIN, TENNESSEE, AS FOLLOWS:**

**SECTION I.** That the Property to be further considered by the Franklin Municipal Planning Commission and the Board of Mayor and Aldermen is located South of Long Lane and North of Peytonsville Road, as described herein and as depicted on the Map attached hereto as Exhibit A:

Resolution 2019-34  
Exhibit B

The Property is located South of Long Lane and North of Peytonsville Road, as described herein and as depicted on the Map attached hereto as Exhibit A:

Map-Parcel	Acres
117---03201	58.00
Total	58.00

A. Water

1. The Property is located within the Milcrofton service area.
2. Water availability shall be approved and provided through Milcrofton prior to annexation.
3. The Owner shall be required to provide adequate fire flow and pressure to the Property.

B. Reclaimed Water

1. According to the City of Franklin’s Municipal Code, reclaimed water systems shall be extended to a development if the development is located within 1,000 feet of an existing reclaimed water line.
2. In the case of this Property, a less than 1,000 linear foot extension would be required to serve the Property. For this reason, reclaimed water will be required to be extended to the Property.

C. Wastewater

1. The Property lies within the Goose Creek Basin as defined in the City of Franklin Sanitary Sewer Basin Study.
2. The proposed development of the Property is anticipated to construct a mixed-use development.
3. The Owner shall be required to extend an undetermined length of sanitary sewer main to provide service to the Property.
4. The City of Franklin Sanitary Sewer System Basin Plans show this as an 8-inch sanitary sewer main.
5. The Owner shall be required to submit engineering calculations to determine final sizing requirements.
6. The Owner shall be required to provide Engineering design, construction, easements, rights-of-way and the costs associated with the on-site sanitary sewer infrastructure required to serve the development of this Property.
7. The Owner shall be responsible for the payment of fees per the policies and procedures outlined in Franklin Municipal Code.
8. All wastewater requirements listed herein are approximate based on the information available at the time of drafting of this plan of service. Additional infrastructure requirements may be needed depending on layout of the project and additional details provided by the developer.

D. Stormwater

1. The Owner shall be responsible for the engineering, design and construction of the necessary stormwater infrastructure for the development of the Property and shall comply with the requirements as outlined in the Franklin Municipal Code.

2. As the Property develops, the City will charge prevailing stormwater user fees per policies and procedures as outlined in the Franklin Municipal Code.

E. Streets

1. Emergency maintenance of streets will begin on the effective date of annexation.
2. Reconstruction and resurfacing of streets, routine maintenance, and installation of storm drainage will be accomplished under existing City policies.
3. Access to the Property shall be provided from Long Lane. Per the City of Franklin's Comprehensive Transportation Plan, Goose Creek Bypass shall extend through this parcel. During the Development Plan process, City Staff will work with the owner to facilitate the appropriate right-of-way for this extension.
4. Unless waived by the Franklin Engineering Department, the Owner of the Property shall be required to submit a traffic impact study prior to submitting a development plan for review and approval. The exact scope associated with this traffic impact study shall be determined prior to submittal of the development plan. Required street improvements shall be determined as part of the plan. The roadways constructed as part of this development shall comply with City Street Standards.

F. Traffic Control

1. Traffic signals, traffic signs, street markings, and other traffic control devices shall be installed as the need is established by appropriate study and traffic standards. No needs have been identified for the area at this time.
2. New development after the effective date of annexation shall comply with City regulations governing traffic control devices and markings.

G. Street Lighting

1. No off-site street lighting is proposed at this time.
2. Street lighting within new developments shall be funded and installed by the Owner per City policy, which includes the installation of electric meters to allow for future ownership and maintenance by the City or homeowners association. The installation and operation of street lights shall coincide with the phasing of development and issuance of Certificates of Occupancy.

H. Street Name Signs

1. No additional street name signs in the area have been deemed necessary.
2. New development shall install street name signs per City policy.

I. Fire Protection

1. Fire protection by the present personnel and equipment of the Franklin Fire Department will be provided on and after the effective date of annexation.
2. No additional manpower or equipment will be necessary to serve the annexation area at this time.

J. Planning and Zoning

1. The planning and zoning jurisdiction of the City will extend to the annexed area on and after the effective date of annexation.

2. The Regional Commerce design concept contains high-intensity activity centers that attract large numbers of people and employers from both within and outside the City. These areas include major employment and revenue generators that are valuable community resources.
3. Regional Commerce should transition in intensity and scale across this design concept. Higher-intensity uses should be located closer to the I-65 interchanges and major thoroughfares, with less-intensive uses transitioning to established residential areas.
4. Upon annexation, the Property will be zoned by the Board of Mayor and Aldermen, pursuant to the requirements of the Franklin Zoning Ordinance with a base zone district, Overlay District, Character Area Overlay District, and designated as a Conventional or Traditional Area. The Owner shall also be required to submit a Planned Unit Development (PUD) Development Plan pursuant to the requirements of the Zoning Ordinance, should it be applicable with the Zoning District selected.

K. Parks and Recreation

1. The benefit and use of the recreational facilities and programs provided by the Parks Department will be available on and after the effective date of the annexation. Recreational facilities and programs will be provided with existing personnel, facilities and resources.
2. New development in the annexed area shall comply with the City of Franklin Parkland Dedication Ordinance.

L. Police Protection

1. Police patrol and response to calls by the Franklin Police Department will be provided on and after the effective date of annexation.
2. Police services will be provided with existing personnel and equipment.

M. Building and Code Inspection Services

1. Building and code inspection services will begin in the annexed area on and after the effective date of the annexation.
2. New development in the annexed area shall comply with adopted City Building Codes, pay the applicable fees, and obtain the required permits for inspection services.

N. Garbage and Recycling Pickup and Environmental

1. The Sanitation and Environmental Services Department will begin providing services in the annexed area on and after the effective date of the annexation in accordance with adopted City requirements.
2. The Sanitation and Environmental Services Department will begin providing services in the annexed area on and after the effective date of the annexation in accordance with adopted City requirements. The Owner does not have to use the City as a provider, but the Owner shall be responsible for providing refuse collection services as a matter of public health. The Owner shall present a plan for service for refuse collection services for approval by the Sanitation and Environmental Services Department, and shall be required to install required dumpster enclosures if dumpsters will be used for holding refuse between scheduled service days.
3. No additional manpower or equipment will be necessary to serve the annexation area at this time.
