Fund Summary

The Community Development Block Grant is funded by the Department of Housing and Urban Development based on an annual formula provided by HUD. Under the formula guideline the City receives about Two-Hundred and Fifty Thousand Dollars annually (\$250,000). To date the City of Franklin has received approximately Two-Million Dollars (\$2,000,000) which has been used for emergency rehabilitation of about 66 homes within the City of Franklin for our elderly and low income residents, furthering Fair Housing education, new construction of single family homes within the Hard Bargain and Natchez neighborhoods and administrating homeless assistance on an as-needed basis.

The City continues to build strong relationships within the community and with the existing non-profits.

Fund Goals

Acting within the HUD guidelines the City prepares an Annual Action Plan and a Consolidated Annual Performance Evaluation Report that reflect the goals of the coming year and the completion of projects from the previous fiscal year. These plans are presented in public meetings for review and comment by the public and ultimately presented and approved by the Board of Mayor and Alderman.

Using the CDBG funds the City will continue to further our partnership with the development community and non-profits toward providing improvement within our community for a variety of different needs. These may include concentrated rehabilitation of homes, new construction, neighborhood signs and land acquisition for the purpose of building affordable single family homes.
