

CONDITIONS OF APPROVAL:

**Performance Agreement and Surety**

**General Comments**

**1. Engineering Sureties Final Plat Transfer**

- No sureties associated with this Final Plat. This comment shall remain open.

**Planning**

**General Comments**

**2. Final Plat**

- The applicant shall file this plat under both the new subdivision name and the existing subdivision name, to provide a means of tracking this subdivision name change. Future platting of this parcel will only require using the new subdivision name.

[3546107- THE STANDARD - PLAT - 2015-0409.pdf](#)

**3. Project title**

- The applicant shall add to the title, in parentheses "Waterford Subdivision, revision 1". The new title should read "The Standard at Cool Springs Subdivision, final plat (Waterford Subdivision, revision 1)".
