I am in receipt of a notice from Gamble Design Collaborative of development of the referenced parcel described as southwest of Carlisle Lane and Del Rio Pike. This concerns me as I own the property located southwest of Carlisle Lane and Del Rio Pike and have no interest in developing it. Specifically, I own the land west of Carlisle Lane from the point Del Rio intersects Carlisle lane southward to the point Carlisle Lane intersects with Old Charlotte. I am further concerned at any additional development of land in that area because of the narrow road to support the additional traffic as a result of that development.

I look forward to getting clarification from you on the tract being considered for development.
