## FY 2016 Operating Budget

### Impact of Ordinance 2015-48 on Budgets

The following demonstrates the impact of Ordinance 2015-48 on four separate funds: the General Fund, Road Impact Fund, Hotel/Motel Tax Fund and Transit Fund. It is important to note:

- The General Fund has no impact on the bottom line by these transfers. They are simply pass through grants - money coming in and going out in the same amount.
- The Road Impact Fund has no offsetting revenue for this proposed payout. However the amount anticipated to be received through additional new development more than covers any known draws against the fund in FY 2016 for Debt Service, and there is existing fund balance of nearly \$400,000.
- The Hotel/Motel Fund has no offsetting revenue for this amendment. However, 2015 year-end / 2016 beginning fund balance is approximately \$800,000 higher than originally anticipated (\$2.74 Million instead of \$1.96 million) and this project was approved as part of the budget process.
