Alcohol Awareness

Alcohol Awareness is a growing concern within the hospitality Industry nationwide. By recognizing the “early” signs of intoxication, monitoring your customer’s consumption, and treating them as you would a guest in your own home; you fulfill your responsibility and protect the guest.

To serve or not to serve?

By understanding and fulfilling your responsibilities...

Your Role:

- Observe
- Monitor
- Report

Assisted by the guidance and support of management...

Your Manager's Role:

- Confirm
- Confront
- Resolve

With adherence to the company's policies....

1. We will not knowingly serve alcohol to an obviously intoxicated or underage customer.
2. We will offer alternatives to alcohol
3. We will create an atmosphere to promote responsible drinking.
4. We will make a reasonable attempt to prevent obviously intoxicated customers from driving.

We can accurately and confidently answer that very important question.

- Responsible service of alcohol requires a team effort.
- Know and watch for the signs of intoxication. If there is any question, avoid further service and report to a manager who will make the final decision and determine whether the guest should remain or leave.
- If you know what it takes to get someone drunk, you can prevent it but monitoring their consumption and offering alternatives.
- Do not allow drunks to come in, and do not allow intoxicated guests to drive.
- Hospitality is our business. Beverage service is only one element.
- Cooperation between employees and management allows us to exercise a degree of influence on the behavior of our customers that will result in an atmosphere of responsible drinking.
- This is just a portion of our company Alcohol Awareness program. Rules and regulations change daily and we will keep you up to date and apprised of all changes.
