Re: City of Franklin Purchasing Office solicitation no. 2016-015
(annual stream bioassessment sampling, testing and identification contract services);
first option to extend term of service; notice of intent to exercise

Dear Mr. Duke:

The City of Franklin seeks to exercise the first of three options to extend the term of service with Civil & Environmental Consultants, Inc. for the purchase referenced above.

As you recall, the effective date of the award was March 23, 2016. In accordance with the referenced solicitation, the term of this award is to expire on June 30, 2017 but at any time prior to or upon the expiration of this term of service, the City and the vendor awarded the contract may, by mutual consent, exercise an option to extend the term of service three (3) times, each time for up to one (1) additional year, provided: (a) that both parties consent to such an extension at that time; (b) that the decision to exercise such an extension is memorialized in writing and is executed by authorized representatives of each party; (c) that the same terms and conditions that apply to the original term of award shall also apply to such an extension, including unit pricing; and (d) that if the vendor chooses not to consent to an extension to the term of award, then it shall notify the City of that decision a minimum of six (6) months in advance of the scheduled expiration of the term of award. Note that the City and the vendor awarded the contract each retain the non-exclusive right, with or without cause, not to extend the term of service.

Please accept this letter as the City's notice of its intent to exercise the first of these options to extend the term of service, effective July 1, 2017 and through June 30, 2018. If Civil & Environmental Consultants, Inc. consents to this extension, please signify by signing below and returning this letter to me.

On behalf of the City of Franklin, thank you for your interest in continuing to do business with the City. Please let me know if you have any questions or concerns.

Sincerely,

Brian W. Wilcox
Purchasing Manager
