RE: Proposed Amendment to Envision Franklin City Land Use Plan

I am writing to ask that the members of the Franklin Municipal Planning Commission deny the proposed amendment to Envision Franklin, the City's Land Use Plan, for the properties located at 522, 526, 532, 536, 540, and 544 Franklin Road and 1208 and 1211 Country Road.

My concern is that this action, among other things, would result in decreasing our property values and destroying the beautiful view we currently have at The View at Brentwood Pointe.

I am sure much time and effort went into creating the recently approved Envision Franklin City Land Use Plan. I ask that you uphold the integrity of this plan.

Thank you for your consideration.
