The City of Franklin's Municipal Code (Title 11, Chapter 4) allows for exceptions to the City's noise standards for City authorized or sponsored events. However, the City retains the right to ask for a change of an event's location or time in an attempt to decrease the number of people impacted by event noise. The City may refuse a special event application based on noise complaints by neighboring businesses and residents. The City therefore encourages event-holders to work with neighbors to alleviate negative impacts wherever possible. At minimum, you should plan to point speakers away from residences.
