TENNESSEE

AND THE

City of Franklin Police Department

I. PURPOSE

This State Plan of Operation (SPO) is entered into between the State of TENNESSEE and the (*LEA name*) City of Franklin Police Department, to set forth the terms and conditions which will be binding on the parties with respect to excess Department of Defense (DOD) personal property transferred pursuant to 10 USC § 2576a in order to promote the efficient and expeditious transfer of property and to ensure accountability of the same.

II. AUTHORITY

The Secretary of Defense is authorized by 10 USC § 2576a to transfer to State Law Enforcement Agencies, personal property that is excess to the needs of the DOD and that the Secretary determines is suitable to be used by such agencies in law enforcement activities, with preferences for counter-drug / counter-terrorism or border security activities, under such terms prescribed by the Secretary. The authorities granted to the Secretary of Defense have been delegated to the Defense Logistics Agency (DLA) in determining whether property is suitable for use by agencies in Law Enforcement Activities (LEAs). DLA defines law enforcement activities as activities performed by governmental agencies whose primary function is the enforcement of applicable Federal, State, and local laws and whose compensated law enforcement officers have powers of arrest and apprehension. B. The DLA LESO has final authority to determine the type, quantity, and location of excess DOD personal property suitable for law enforcement activities, if any, which will be transferred to the (LEA name) City of Franklin Police Department.

C. This agreement creates no entitlement to the LEA to receive excess DOD personal property.

D. The (LEA name) City of Franklin Police Department understands that property made available under this agreement is for the use of authorized program participants only. Property may not be obtained for any individual, organization, or agency that has not been approved as a participant in the LESO Program. All requests for property must be based on bona fide law enforcement requirements. Property will not be obtained by any authorized participant for the purpose of sale, lease, loan, personal use, rent, exchange, barter, transfer, or to secure a loan.

E. Controlled property (equipment) includes any property that has a demilitarization (DEMIL) Code of B, C, D, F, G, and Q; and property, regardless of demilitarization code, that was specifically identified in the Law Enforcement Equipment Working Group Report from May 2015, created pursuant to Executive Order 13688 (EO). The Working Group Report mandates that the following items be treated as controlled property:

- 1) Manned Aircraft, fixed or rotary wing
- 2) Unmanned Aerial Vehicles
- 3) Wheeled Armored Vehicles
- 4) Wheeled Tactical Vehicles

- 5) Command and Control Vehicles
- 6) Specialized Firearms and Ammunition Under .50 Cal (excluded firearms and ammunition for service-issued weapons)
- 7) Explosives and Pyrotechnics
- 8) Breaching apparatus
- 9) Riot Batons
- 10) Riot Helmets
- 11) Riot Shields

F. LEAs that request items in Paragraph E above must provide all required information outlined in the Law Enforcement Equipment Working Group Report and all information on the LESO request form. Among other specific requirements identified in these documents, LEAs will be required to certify and submit:

- 1) A detailed written justification with a clear and persuasive explanation of the need for the property and the law enforcement purposes it will serve;
- 2) Evidence of approval or concurrence by the LEA's civilian governing body (city council, mayor, etc.);
- 3) The LEA's policies and protocols on deployment of this type of property;
- 4) Certifications on required training for use of this type of property; and
- 5) Information on whether the LEA has applied, or has pending an application, for this type of property from another Federal agency.

G. The (LEA name) **City of Franklin Police Department** must maintain and enforce regulations designed to impose adequate security measures for controlled property to mitigate the risk of loss or theft.

H. Under no circumstances will controlled property be sold or otherwise transferred to non-U.S. persons, or exported. All transfers must be approved by the State and DLA Disposition Services LESO.

I. Cannibalization requests for controlled property must be submitted in writing to the State, with final approval by the LESO. The LESO will consider cannibalization requests on a case-by-case basis.

J. The LESO conditionally transfers all excess DOD property to States / LEAs enrolled in the LESO Program. Title or ownership of controlled property will remain with the LESO in perpetuity and will not be relinquished to the LEAs. When the LEA no longer has legitimate law enforcement uses for controlled property, the LEA must notify the State, who will then notify the LESO, and the controlled property must either be transferred to another enrolled LEA (via standard transfer process) or returned to DLA Disposition Services for disposal. The LESO reserves the right to recall controlled and non-controlled property issued through the LESO Program at any time.

K. Property with a DEMIL Code of "A" is also conditionally transferred to the LEA. However, after one year from the Ship Date, the LESO will relinquish ownership and title to the LEA. Prior to this date, the State and LEA remains responsible for the accountability and physical control of the item(s) and the LESO retains the right to recall the property. Title will not be relinquished to any property with DEMIL Code of "A" that is controlled property identified in Paragraph III E.

- 1) Property with DEMIL Code of "A" will automatically be placed in an archived status on the LEAs property book upon meeting the one year mark.
- 2) Once archived, the property is no longer subject to annual inventory requirements and will not be inventoried during a LESO Program Compliance Review (PCR).
- 3) Ownership and title of DEMIL "A" items that have been archived will pass automatically from the LESO to the LEA when they are archived at the one year mark (from Ship Date) without issuance of any further documentation.
- 4) LEAs receive title and ownership of DEMIL "A" items as governmental entities. Title and ownership of DEMIL "A" property does not pass from DOD to any private individual or LEA official in their private capacity. Accordingly, such property should be maintained and ultimately disposed of in accordance with provisions in State and local law that govern public property. Sales or gifting of DEMIL "A" property after the one year mark in a manner inconsistent with State or local law may constitute grounds to deny future participation in the LESO Program.

L. The LEAs are not authorized to transfer controlled property or DEMIL Code "A" property carried on their inventory without LESO notification and approval. Property will not physically move until the State and LESO approval process is complete.

IV. ENROLLMENT

A. An LEA must have at least one full-time law enforcement officer in order to enroll and/or receive property via the LESO Program. Only full-time and part-time law enforcement officers are authorized to receive property. Reserve officers are not authorized to receive property.

B. The State shall:

- 1) Implement LESO Program eligibility criteria in accordance with 10 USC § 2576a, DLA Instructions and Manuals, and the DLA MOA the State signs.
- 2) Receive and process applications for participation from LEAs currently enrolled and those LEAs that wish to participate in the LESO Program.
- 3) Receive and recommend approval or disapprove LEA applications for participation in the LESO Program. The State Coordinators have sole discretion to disapprove LEA applications on behalf of the Governor of their State. The

LESO should be notified of any applications disapproved at the State Coordinator level. The State Coordinator will only forward and recommend certified LEAs to the LESO that are government agencies whose primary function is the enforcement of applicable Federal, State, and local laws and whose compensated officers have the powers of arrest and apprehension. The LESO retains final approval / disapproval authority for all LEA applications forwarded by State Coordinators.

- 4) Ensure LEAs enrolled in the LESO Program update the LEAs account information annually (accomplished during the FY Annual Inventory in the Federal Excess Property Management Information System [FEPMIS]).
- 5) Provide a comprehensive overview of the LESO Program to all LEAs once they are approved for enrollment. This comprehensive overview must be done within thirty (30) days and include, verbatim, the information contained in Paragraph III E of this SPO.
- 6) Ensure that screeners of property are employees of the LEA. Contractors may not conduct screening on behalf of the LEA.
- 7) Ensure that at least one person per LEA maintains access to the FEPMIS. Account holders must be employees of the LEA.

V. ANNUAL INVENTORY REQUIREMENTS

A. Per the DLA Instructions and Manuals and the DLA MOA, each State and participating LEA within is required to conduct an annual inventory certification of controlled property, which includes DEMIL "A" for one (1) year from Ship Date. Annual inventories start on October 1 of each year and end January 31 of each year.

B. The State shall:

- 1) Receive, validate, and reconcile incoming certified inventories from the LEAs.
- 2) Ensure LEAs provide serial numbers and photos identified during the annual inventory process for inclusion in the LESO property accounting system for all controlled property identified in Paragraph III E, small arms and other unique items as required. For equipment that does not contain a serial number, such as riot control or breaching equipment, a photograph will suffice.

C. The LEA shall:

- 1) Complete the annual physical inventory as required.
- 2) Provide serial numbers and photos identified in the annual inventory process for

- 3) Certify the accountability of all controlled property received through the LESO Program annually by conducting and certifying the physical inventory. The LEA must adhere to additional annual certification requirements as identified by the LESO.
 - a. The State and the LESO requires each LEA to submit certified inventories for their Agency by January 31 of each year. The Fiscal Year (FY) is defined as October 1 through September 30 of each year. This gives the LEA four (4) months to physically inventory LESO Program property in their possession and submit their certified inventories to the State Coordinators.
 - (1) The LESO requires a front or side and data plate photo for Aircraft and Tactical Vehicles that are serial number controlled, received through the LESO Program.
 - (2) The LESO requires serial number photos for each small arm received through the LESO Program.
 - b. The LEAs failure to submit the certified annual inventory by January 31 may result in the agency being suspended from operations within the LESO Program. Further failure to submit the certified annual inventory may result in a LEA termination.
- 4) Be aware that High Profile Commodities (Aircraft, Tactical Vehicles and Small Arms) and High Awareness (controlled) property are subject to additional controls.

VI. PROGRAM COMPLIANCE REVIEWS

A. The LESO conducts a Program Compliance Review (PCR) for each State that is enrolled in the LESO Program every two (2) years. The LESO reserves the right to require an annual PCR, or similar inspection on a more frequent basis for any State. The LESO PCRs are performed in order to ensure that State Coordinators, SPOCs and all LEAs within a State are compliant with the terms and conditions of the LESO Program as required by 10 USC § 2576a, DLA Instructions and Manuals, and the DLA MOA signed by the State.

- 1) If a State and/or LEA fails a PCR, the LESO will immediately suspend their operations and will subsequently issue corrective actions (with suspense dates) to the State Coordinator, which will identify what is needed to rectify the identified deficiencies within the State and/or LEA.
- 2) If a State and/or LEA fails to correct identified deficiencies by the given suspense dates, the LESO will move to terminate the LESO Program operations within the State and/or LEA.

B. The State shall:

- 1) Support the LESO PCR process by:
 - a. Contacting LEAs selected for the PCR review via phone and/or email to ensure they are aware of the PCR schedule and prepared for review.
 - b. Receiving inventory selection from the LESO. The LEA POCs shall gather the selected items in a centralized location to ensure that the LESO can efficiently inventory the items.
 - c. Providing additional assistance to the LESO as required, prior to and during the course of the PCR.
- 2) Conduct internal Program Compliance Reviews of LEAs participating in the LESO Program in order to ensure accountability, program compliance and validate annual inventory submissions are accurate. The State Coordinator must ensure an internal PCR of at least 5% of LEAs that have a property book from the LESO Program within his / her State is completed annually. This may result in a random review of all or selected property at the LEA.
 - a. The internal PCR will include, at minimum:
 - (1) A review of each selected LEAs LESO Program files.
 - (2) A review of the signed State Plan of Operation (SPO).
 - (3) A review of the LEA application and screener's letter.

A. The State shall:

- 1) Identify, establish, and issue minimum criteria to be included in the SPO for the State and each participating LEA.

 - a. The SPO will include detailed organizational and operational authority including: staffing, budget, facilities, and equipment that the State believes is sufficient to manage the LESO Program within their State.
 - b. The SPO must address procedures for making determinations of LEA eligibility, allocation, and equitable distribution of material, accountability and responsibility concerning excess DOD personal property, inventory requirements, training and education, State-level internal Program Compliance Reviews (PCR), and procedures for turn-in, transfer, and disposal.
- 2) Enter into written agreement with each LEA, via the LESO approved State Plan of Operation, to ensure the LEA fully acknowledges the terms, conditions, and limitations applicable to property transferred pursuant to this agreement. The State Plan of Operation must be signed by the Chief Law Enforcement Official (CLEO), or assigned designee of the respective LEA, and the current State Coordinator.
- 3) Request that the LESO Suspend or Terminate an LEA(s) from the LESO Program when an LEA fails to comply with any term of DLA MOA, the DLA Instruction and Manuals, any Federal statute or regulation, or the State Plan of Operation.

B. LEAs no longer requiring small arms issued through the LESO Program must request authorization to transfer or turn-in small arms. Transfers and turn-ins must be forwarded and endorsed by the State Coordinator's office first, and then approved by the LESO. Small Arms will not physically transfer until the approval process is complete.

C. Small Arms that are issued must have a documented chain of custody, with the chain of custody including a signature of the receiving officer indicating that he / she has received the appropriate small arm(s) with the correct, specific serial number(s). RELEASE OF LIABILITY

TENNESSEE AGENCY: City of Franklin Police Department, Franklin, Williamson County, Tennessee

The Tennessee Law Enforcement Agency (LEA) designated above acknowledges receipt of excess property from the Department of Defense pursuant to Section 1033 of the National Defense Authorization Act for Federal Fiscal Year 1997 (the "Act"). Such excess property transferred pursuant to the Act may include small arms and ammunition (hereinafter referred collectively as the "Transferred Property")

The LEA acknowledges that the Transferred Property is considered excess to the needs of the Department of Defense and that the Transferred Property may be in any condition from new to unserviceable. The LEA acknowledges that there may be hazards associated with the use of the Transferred Property, which could cause damage to property and serious injury or death. The term "use" with respect to the Transferred Property is acknowledged to include, but is not limited to, active deployment, passive transportation and mere possession. The LEA agrees to provide appropriate or adequate training to any person who may use the property. The LEA agrees that it IS NOT the responsibility of the Department of Defense, the State of Tennessee or the Tennessee Department of General Services to provide appropriate or adequate training to any person using the transferred property.

The Department of Defense, the State of Tennessee nor the Tennessee Department of General Services assumes any liability for damages or injuries to any person or property arising from the use of the Transferred Property. By signing this agreement, the LEA agrees, subject to the appropriation of sufficient funds, to be solely responsible for any and all suits, actions, demands or claims of any nature arising for its use of the Transferred Property. The LEA agrees to maintain, at its expense, adequate liability and property damage insurance and workman's compensation insurance to cover any such claims.

The LEA accepts Transferred Property "as is" with no warranty of any kind. The Department of Defense, the State of Tennessee nor the Tennessee Department of General Services make any claims or warranties, expressed or implied, concerning the Transferred Property, including but not limited to warranty of fitness for a particular purpose.

The LEA acknowledges that any item of the Transferred Property meeting the definition of "machine gun" found in 26 U.S. C. 584(b)* must be registered with the Bureau of Alcohol, Tobacco and Firearms (BATF) with an ATF Form-10 (Application for Registration of Firearm Acquired by Certain Governmental Entities). Upon receipt of a properly executed Form-10, ATF will accept the registration of the machine gun and notify the LEA. Any machine gun registered in this manner is restricted for law enforcement use only. The LEA agrees to provide the State Coordinators Office a copy of an approved Form-10 for each machine gun that is part of any Transferred Property received. The LEA must execute a separate transfer agreement with the United States Army, through the 1033 Program, for any small arms/weapons.

1 of 2

The LEA acknowledges that it is the sole responsibility for any and all costs associated with the

Transferred Property, including but not limited to, packing, crating, handling, transportation, repossession and disposal.

The LEA acknowledges that Transferred Property may be disposed of only with written approval from the State Coordinator's Office and in accordance with local, state, federal laws and the regulations and guidelines of the 1033 Program prescribed by the Law Enforcement Support Office. The LEA specifically acknowledges that the preceding rule includes, but is not limited to the transfer, destruction or abandonment of any Transferred Property constituting small arms/weapons and weapon parts.

Subject to the conditions set forth herein, title to the Transferred Property is assumed by the LEA upon written acceptance hereof from the LEA.
