Engineering - Final Plat Checklist

General Issues

16. Incorrect Reference

joe.marlo@franklintn.gov The plat reference does not appear to have been corrected. The errant reference is located near parcels 604 and 605. Note that a correct reference is located near lots 608 and 651.

The plat reference highlighted below is incorrect. Applicant to revise reference to be Plat Book P66 pg 122 for Section 29.

Performance Agreement and Surety

General Issues

9. Engineering Sureties

kevin.long@franklintn.gov No sureties are associated with this Final Plat. Any associated sureties from site plan COF 5850 [Highlands at Ladd Park PUD Subdivision, site plan, section 28] were posted with the original final plat, COF 6088 [Highlands at Ladd Park PUD Subdivision, final plat, section 28].
