

Notes

1. The purpose of this plat is to create 67 single family residential lots.
2. This property is not located within a flood hazard area as per FEMA FIRM Community Map No. 47187C0355F, dated September 29, 2006.
3. The lots shall be served by water from HB&TS Utility District and sewer from the City of Franklin. Individual water and/or sanitary sewer service lines are required for each parcel.
4. Parcel ID's shown thus (000) pertain to property map 117.
5. All property corners not designated otherwise shall be marked with 1/2" iron rods x 18" long with plastic caps.
6. Bearings based on Tennessee State Plan Coordinate System, Zone 5301, Fipszone 4100, NAD 83 datum.
7. Within new development and for off-site lines constructed as a result of, or to provide service to, the new development, all utilities, such as cable television, electrical (excluding transformers), gas, sewer, telephone and water lines shall be placed underground.
8. All street light locations and quantities are approximate. Final positioning and quantity shall be at direction of MTEMC.
9. All open space shall be maintained by the HOA or Property Owner(s) and shall be Public Utility, Drainage and Access Easements.
10. Lots shall conform to all the requirements of the Franklin Zoning Ordinance.
11. Any and all mineral rights for the subject property shall transfer to the owner.
12. Residential fire sprinkler systems shall be provided until the second connection to the development is provided.
13. Homeowner's association will maintain all open space, landscape and detention/retention areas, and all sidewalks and pathways located outside public rights-of-way. All roadways shall be public streets constructed to the City of Franklin specifications in public rights-of-way.
14. Unless otherwise designated on the recorded plat, a 10' wide public drainage easement shall exist along all common building lot lines (5' on each side of common lot line) the common building lot line being the center line of said easement. The owner or master developer reserves the right to enter upon all lots to establish or re-establish drainage swales within said easements for the purpose of controlling and directing storm water to collection facilities.
15. Maintenance of all storm water management features shall be the responsibility of the property owner(s) or HOA.
16. No obstructions or encroachments which impede the flow of stormwater shall be permitted within the Public Drainage Easements between lots. The City of Franklin is not responsible for repair or replacement of any encroachments that are damaged or removed in the course of maintenance activities within easements.
17. There shall be no moving, clearing, grading, construction, storage, or disturbance of vegetation in riparian buffers except as permitted the City Engineer, or his designee.
18. All lots adjacent to open space must not contain opaque fences.
19. The City of Franklin Water Management department has unrestricted access to its domestic water, sanitary sewer, reclaim water lines of system improvement located within its exclusive easements within the development. In the event landscaping, fencing, concrete or other structures are installed or placed within a City of Franklin easement, the City of Franklin shall have the right to remove such encroachments within the easement as may be necessary for the City of Franklin to repair, maintain or replace its infrastructure which is now or in the future may be located within the easement with obtaining any further permission from the owner or H.O.A. The property owner or H.O.A. shall be responsible for repairing and/or replacing any such landscaping fencing concrete or other structures removed or disturbed by the City of Franklin in common open space lots and in areas owned by the property owner or H.O.A. at no expense to the City of Franklin. Individual homeowners shall be responsible for structures removed or disturbed by the City of Franklin within an easement on the homeowners' lot at the homeowners' expense.
