MANAGING ALCOHOL SALES

The City of Franklin Beer Board requires every Beer Permit holder to provide information in its application about whether the permit holder has a training program for employees regarding “alcohol sales management”, specifically, the sale of alcohol to minors. The privilege of selling alcoholic beverages is a serious responsibility. The owner and operator shall be held strictly accountable for any actions of his employees that violate any of provisions of the City of Franklin Municipal Code.

In the event that your company does not have an official training program, we have compiled some information to educate you and your employees on managing alcohol sales.

Prohibited Conduct

Alcoholic beverages may not be sold to anyone under 21 years of age.

Alcoholic beverages may not be sold to intoxicated persons.

Alcoholic beverages may not be sold to someone you suspect is buying it for underage people.

Alcoholic beverages may not be sold or consumed between the hours of

3:00 AM – 6:00 AM on weekdays or between the hours of 3:00 AM and 12:00 PM on Sunday.

(Restaurants only may serve on premises only beginning at 10:00 AM)

Checking Identification

If someone does not clearly appear to be 21 years old, ask for, look at and read their identification. If there is any question about the age or the form of identification, do not sell alcoholic beverages to that person.

Forms of identification that should be used are (1) A valid driver’s license
(2) A State issued photo ID.

Check the identification to make sure there have not been any alterations of any kind, especially to the date of birth, such as any erasures, type style that does not match, or damaged paper surfaces. Also check for signs of altered signature. Compare the photo on the identification and the physical characteristics shown on the identification.

Check for counterfeit drivers licenses. They are completely different from the actual license; however they are designed to look like the valid state license.

Possible actions to take

If the ID proves the customer to be underage or there is a doubt about legally selling to this person, it is best to move the product out of reach and sight of the customer and explain why you cannot legally sell the product with something like “I’m sorry, but the law says I cannot sell you alcohol if you appear to be (underage), (intoxicated), (using false ID), etc.

Stay in control. This will show the offender, as well as other customers, that you know what to do and you are in control.

Police may be needed in some cases. If the customer becomes violent and/or makes threats, call 911 for the police.
