Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position Community Child Care, Inc. as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018 AND 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Purpose

Community Child Care, Inc. ("the Organization"), located in Franklin, Tennessee, is a nonprofit corporation organized to provide child care services to low-income families.

Basis of Presentation

Community Child Care, Inc. prepares its financial statements and maintains its financial accounting records on the accrual basis of accounting. Revenue is generally recognized when earned. Expenses are generally recognized when incurred.

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Financial statement presentation follows the requirements of the Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic related to Presentation of Financial Statements of Not-for-Profit Organizations. Under the FASB Accounting Standards Codification, the Organization is required to report information regarding its financial position and activities according to three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. The Organization had no temporarily restricted net assets as of June 30, 2018 and 2017.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that may be maintained permanently by the Organization. Generally donors of these assets permit the Organization to use all or part of the income earned for general or specific purposes. The Organization had no permanently restricted net assets as of June 30, 2018 and 2017.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all certificates of deposit purchased with a maturity of three months or less to be cash equivalents. Certificates of deposit with original maturities exceeding three months are classified as investments and stated at fair value. Investments were \$140,000 and \$150,000 as of June 30, 2018 and 2017, respectively.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions

The Organization accounts for contributions in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification topic relating to Accounting for Contributions Received and Contributions Made. In accordance with the FASB Accounting Standards Codification, contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence or nature of any donor-imposed restrictions. Under the FASB Accounting Standards Codification, certain contributions are required to be reported as temporarily restricted support and are then reclassified to unrestricted net assets upon expiration or resolution of the donor restrictions. The Organization had no temporarily or permanently restricted contributions as of June 30, 2018 and June 30, 2017.

Fair Values of Financial Instruments

The following methods and assumptions were used by the Organization in estimating its fair value disclosures for financial instruments:

Cash, cash equivalents, certificates of deposit, accounts receivable, and accounts payable: The carrying amounts reported in the statement of financial position approximate fair values because of the short maturities of those instruments.

Accounts Receivable

The Organization considers accounts receivable to be fully collectible; accordingly, no allowances for doubtful accounts is required. If accounts become uncollectible, they will be charged to operations when that determination is made.

Revenue Recognition

Grant income is recognized over the grant period in relation to the expenditures incurred and services provided, as outlined in the grant documents. Cash received in excess of grant expenditures to date is recorded as deferred revenue, and an account receivable is recorded when allowable expenditures exceed cash received.

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Equipment

Equipment is stated at cost for purchased equipment and at fair market value on the date received for contributed equipment less accumulated depreciation. Depreciation is computed using the straight-line method over the estimated useful lives of five years for equipment. Assets purchased with a cost of less than \$500 are expensed to minor equipment.

2. FEDERAL INCOME TAX STATUS

The Organization has been determined by the Internal Revenue Service to be exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code. Accordingly, the financial statements do not reflect a provision for income taxes.

The Organization files a U.S. Federal Form 990-*Return of Organization Exempt from Income Tax*. The Organization's returns for the years prior to fiscal year ended June 30, 2015 are no longer open for examination.

The Organization has evaluated its tax positions in accordance with the Codification Standard relating to Accounting for Uncertainty in Income Taxes. The Organization believes that it has taken no uncertain tax positions.

5. CONCENTRATIONS OF RISK

The financial condition of all depository banks, including those with balances less than the Federal Deposit Insurance Corporation's \$250,000 insured limit, is continually reviewed by the board. The Fifth Third Operating account is currently exceeding the FDIC insured limit.

6. SIGNIFICANT SOURCE OF REVENUE RISK

The Organization receives over 24% and 22% of its revenue from the State of Tennessee Department of Human Services and over 31% and 38% from United Way for child care assistance and child care food programs for the years ended June 30, 2018 and 2017, respectively. A major reduction of funds by the grantor agencies would have a significant effect on future operations.

7. CONTINGENCY

Expenditures related to government contracts are subject to adjustment based upon review by the granting agencies. The Organization does not anticipate that adjustments, if any, arising from such reviews will have a material effect on the financial statements.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through July 27, 2018 which is the date the financial statements were available to be issued.
