

RESOLUTION 2019-65

**A RESOLUTION AUTHORIZING CONDEMNATION FOR THE ACQUISITION OF PROPERTY AT
2009 COLUMBIA AVENUE FOR THE SHADOW GREEN SANITARY SEWER PROJECT**

WHEREAS, the City of Franklin (City) has determined that certain improvements are necessary, suitable, and desirable for the public welfare for the 2009 Columbia Avenue portion of the Shadow Green Sanitary Sewer Project; and

WHEREAS, these improvements are generally described as the construction of approximately 300 feet of 10-inch sanitary sewer line as well as all appurtenances needed for the construction; and

WHEREAS, it will be necessary for the City to obtain an easement from landowner for the construction of the Project; and

WHEREAS, the Franklin Board of Mayor and Aldermen expressly finds that the City has the power of eminent domain to construct sanitary sewer and water lines, see T.C.A. §29-17-301 *et seq.*, and to acquire Easements necessary for proper completion of the said Project, and that the acquisition of such easements is for a public purpose and for a public use, and that the acquisition of the private property hereinafter described is necessary to accomplish said public use.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF MAYOR AND ALDERMEN OF THE CITY OF FRANKLIN, TENNESSEE, that the City Engineer and /or City Attorney, are authorized to obtain the necessary permanent easements and/or temporary easements across the properties listed in Exhibit A hereto and may enter into agreements with property owners with respect to the compensation to be paid for the said easements, so long as such amounts are reasonable, within the project budget, and supported by a qualified appraisal.

The City Engineer and City Attorney are authorized to continue negotiating with any landowner for the acquisition of the easements without resort to condemnation. However, if an impasse is reached with a property owner and condemnation is the only alternative, then the City Attorney, or his/her designee, is authorized to commence necessary condemnation proceedings. After condemnation proceedings have commenced, the City Engineer and /or City Attorney, are authorized to enter into settlement agreements with property owners with respect to the compensation to be paid for the said rights-of-way and easements, so long as such amounts are reasonable, within the project budget and supported by a qualified appraisal.

IT IS SO RESOLVED AND DONE on this the _____ day of _____, 2019.
