Project Information

COF Project Number: 6772

Applicant: Michael Dewey, Dewey Engineering

Owner: Harry Glass

Background/Staff Comments

The Development Plan for Carothers Chase was not approved by the BOMA at the 4/9/19 meeting, therefore, staff now recommends disapproval of the rezoning request.

This item was previously presented before the Franklin Municipal Planning Commission on November 15, 2018, with a 7-0 recommendation for approval. It was presented to the Board of Mayor and Aldermen on January 8, 2019 and deferred until February 12, 2019. The item was referred back for FMPC reconsideration to allow for proper public notification.

The applicant is seeking to rezone property from the Detached Residential 1 District (R-1) to the Specific Development-Residential (SD-R 2.04) District. The subject property is within the Single Family Residential design concept described in Envision Franklin, and the development is proposing only single-family dwelling units.

A Development Plan for this property is also on this agenda for consideration.

Recommendation

Recommend disapproval to the Board of Mayor and Aldermen since the development plan was not approved.
