SUBJECT:
COF Contract No. 2019-0330 Daikin For Fire Station 8 HVAC Maintenance Agreement.

Purpose

The purpose of this memo is to provide information to the Franklin Board of Mayor and Aldermen (BOMA) concerning the preventative maintenance contract with Daikin for the Fire Station 8 HVAC System.

Background

This preventative maintenance agreement will provide routine inspection and maintenance of the HVAC equipment to minimize or prevent unscheduled downtime by detecting deficiencies early and ensure efficient operation and maximum equipment life.

Financial Impact

The Annual Fee for the service is \$9,700.00.

Recommendation

Staff recommends acknowledgement of the contract signed by the City Administrator.
