Project Information

COF Project Number: 5995

Applicant: Paul Lebowitz, Gamble Design Collective

Owner: Parish PCA, Inc & Anthony Crudele, Mann Family Limited Partnership

Background/Staff Comments

The owners of the Parish Presbyterian Church have approached the City to ask for annexation. The site is 13.6

acres to the east of McKay's Mill Subdivision and located along Clovercroft Road. The applicant is proposing a new church building with space for classrooms and assembly. The Land Use Plan supports this type of use. The plan proposes the existing building and parking to remain, and for an additional church building to be constructed just east of the existing driveway. The existing driveway will be expanded but will retain the mature tree row on site.
