Background/Staff Comments

The purpose of this ordinance is to rescind Ordinance 2018-45 and to rezone 0.22 acres from the R-6 District to the Office Residential (OR) District at 517 Cummins St. The previous ordinance to rezone this property heard at the October 25th FMPC meeting was not publicly noticed to satisfy City regulations. Proper notification deadlines have now been met, and this rezoning request can be reconsidered.

The Envision Franklin Land Use Plan supports the rezoning request as the property sits within the Office Residential Design Concept. The property is located in the Office Residential Design Concept in Envision Franklin to allow for a transition from the commercial uses located across the street to the residential uses located along Evans. No corresponding development plan or site plan has been submitted at this time. Future development will require a residential building form to conform with the Office Residential Design Concept.
