Background/Staff Comments

Ordinance 2015-74 will add a property into the limits of the SD-X district, at 111 Bridge Street, to increase the residential entitlements by 9 units, and to reduce the overall nonresidential square footage entitlements. It will also remove a portion of a previously included parcel, now that this portion has been subdivided and recorded (134 2nd Avenue North). These properties were previously approved for rezoning to SD-X in March 2015. This rezoning continues to be supported by the Land Use Plan for CFCO-1.
