FROM: Eric Stuckey, City Administrator
SUBJECT:
Presentation of Trail / Connectivity work group

Purpose

Over the past year, a work group of citizens including members of the Heritage Foundation, Friends of Franklin Parks, and various City staff have met to explore various opportunities to enhance the community through trails, multi-use paths, and overall improved connectivity. This group would like to give the Board of Mayor and Aldermen an update regarding their work and focus going forward. They are also seeking feedback from the Board.
