Project Information

Applicant: John Haas, EDGE Landscape Architecture
Owner: Tyler Ring, Tennessee Contractors Inc.

Background/Staff Comments

The site proposed to be annexed is adjacent to the City of Franklin's southern boundary. The property is within the City's Urban Growth Boundary (UGB). A separate Zoning request, Development Plan, and Plan of Service accompany this annexation request.

Project Considerations

Project Considerations are not conditions of this approval, but are intended to highlight issues that should be considered in the overall site design or may be required when more detailed plans are submitted for review. These items are not meant to be exhaustive and all City requirements and ordinances must be met with each plan submittal.

A Development Plan and Rezoning accompany this annexation request, per the City of Franklin Zoning Ordinance. Should the Development Plan and Rezoning not be approved, an appropriate Zoning District should be applied to this parcel. Agricultural (AG) or Estate Residential (ER) would be the uses similar to what currently exist.

Recommendation

Recommend favorably to the Board of Mayor and Aldermen.
