SUBJECT:
*Consideration of Resolution 2018-36 Authorizing the Use of the FY 2019 On-Call Annual Contract for Pavement Preservation (COF Contract No. 2018-0036) Prior to July 1, 2018

Purpose

The purpose of this memo is to provide information to the Franklin Board of Mayor and Aldermen (BOMA) concerning Resolution 2018-36.

Background

On April 24, 2018, the BOMA approved Resolution 2018-20 to award the FY 2019 On-Call Annual Contract for Pavement Preservation (COF Contract No. 2018-36) to Jarrett Builders, Inc. The Streets Department has remaining funds, which are a part of its current (e.g. FY 2018) annual operating budget, that are allocated to pavement preservation. The Streets Department would like to utilize this recently approved contract to perform work within the current budget year.

It is important to note that the type of work to be performed in the current budget year is identical to the

work items contained within the recently approved contract.

Financial Impact

No additional financial impact.

Recommendation

Contingent upon review and approval by the Law Department, staff recommends approval of Resolution 2018-36.
