SUBJECT:

Consideration of Ordinance 2018-59, "An Ordinance to Implement a Pavement Marking and Signage Plan on 4th Ave South Between Church Street and South Margin Street". (11/29/18 CIC 3-0; 12/11/18 BOMA 1st Reading 8-0) SECOND AND FINAL READING

Purpose

The purpose of this memo is to provide information to the Franklin Board of Mayor and Aldermen (BOMA) concerning a pavement marking and signage plan on 4th Ave South Between Church Street and South Margin Street.

Background

Engineering Staff was approached by residents along 4th Ave South and asked to add pavement markings to the street to improve parking and prevent individuals from block driveways and fire hydrants. The residents

completed a petition of the property owners and of the 14 property owners, 12 approved the plan, 1 disapproved the plan and 1 property owner did not respond. In addition to the petition, the Downtown Neighborhood Association (DNA) reviewed and approved the signage and pavement marking plan.

Financial Impact

Less than \$5,000 paid out of our approved Street Department budget.

Recommendation

Staff recommends approval of Ordinance 2018-59.
