*Consideration Of Procurement Award To JLD Preservation Consulting, LLC Of Nashville, Tennessee In The Total Amount Of \$7,950 For Hincheyville Historic District National Register Listing Update Consulting Services For The Planning And Sustainability Department (Purchasing Office Procurement Solicitation No. 2019-006; \$10,000 To Be Budgeted In 110-84950-41700 For Fiscal Year 2020; Contract No. 2019-0103)

Purpose

The purpose of this procurement is to purchase Hincheyville Historic District National Register listing update consulting services for the Planning and Sustainability Department.

Background

Following are excerpts from the "Background and context" portion of the City's Request for Proposals:

The Hincheyville Historic District National Register documentation was completed in 1981. The main purpose of the proposed update is to reevaluate the district's period of significance so as to identify additional contributing structures. The update will also allow for an emphasis on the identification of accessory structures, which are continually threatened by development pressure. At the conclusion, the City seeks to formally request that the National Register listing be amended to reflect the results of the resources inventory.

The update to the National Register nomination will be used to inform the public of the long-term benefits of historic preservation, including an increased awareness and appreciation for the importance of Franklin's history and heritage; encouragement of rehabilitation and restoration of historic structures; and promotion of the use of historic buildings and landmarks for the education and public welfare.

This project has been funded in part by the State of Tennessee, Tennessee Department of Environment and Conservation, Tennessee Historical Commission through the Federal Preservation Grant program.

The City published on February 14, 2019 a Notice to Proposers in the *Williamson Herald* for Hincheyville Historic District National Register listing update consulting services. Recommendation

Staff recommends that the City accept, contingent upon Law Department and City Administrator approval of City Contract No. 2019-0103, the proposal ranked highest by the proposal evaluation team, from JLD

Preservation Consulting of Nashville, Tennessee, in the total amount of \$7,950 for the proposed services and deliverables, and award this procurement to this proposer. Purchasing Manager Brian Wilcox is of the opinion that the prepared solicitation documents as distributed allowed for competition among multiple service providers, and that the staff recommendation appears to be made in a fair and impartial manner based upon the proposals received. Pursuant to authority previously granted by the Board of Mayor and Aldermen, Contract No. 2019-0103 has been prepared for execution by the City Administrator and is attached pending approval by the Board of Mayor and Aldermen of the staff recommendation to accept the bid from and award the procurement to JLD Preservation Consulting.
