**SUBJECT:**  
Presentation on the Rollout of Blue Bin Franklin Recycling Program

### **Purpose**

The purpose of this memo is to provide information to the Franklin Board of Mayor and Aldermen (BOMA) concerning the rollout of the Blue Bin Franklin automated recycling program.

### **Background**

As directed through Resolution 2019-22, staff have been working to transition from blue bag recycling to automated recycling. Since that time staff has been working through logistics and a public relations campaign. The presentation serves as a check in with the BOMA to show progress and direction.

### **Financial Impact**

NA

### **Recommendation**

At this time there are no recommendations but staff welcomes any input from the BOMA.
