Applicant: Greg Gamble, Gamble Design Collaborative
Owner: Chapter 2 Investments, LLC

Background/Staff Comments

The site proposed to be annexed is approximately 58 acres and adjacent to the City of Franklin's southeastern boundary. The property is South of Long Lane and East of Interstate 65. The property is within the City's Urban Growth Boundary (UGB) and located in Envision Franklin's Regional Commerce Design Concept. A separate Plan of Services and Zoning request accompany this annexation request. There is no Development Plan associated with this parcel at this time.

Project Consideration

Although the attached request for annexation states that the applicant would be pursuing a Development Plan concurrently with this request, the applicant has since decided to only move forward with annexation and zoning at this time.
