COF Project Number: 5961

Applicant: Daniel Woods, Addison Group

Owner: Matt Christensen

Background/Staff Comments

This is a resolution to recommend a development plan for the property located at 117 Gist Street. The site is a long lot that has street frontage on both Gist Street and Battlefield Drive. The applicant is proposing to build an additional house on the existing lot that would face and be accessed off of Battlefield Drive. The proposed lots would be of similar size to both the lots along Battlefield and along Gist Street, and would match the front and side yard setbacks of both streets.
