Statements From The Land Use Plan

SPECIAL AREA 6

1. The character of this area is largely established.
2. New development shall reflect the same character as the established area.

Background/Staff Comments

Lockwood Glen was originally approved in 2008. The existing property owner at 4373 South Carothers Road decided not to sell the property to Crescent Lockwood at that time and has since opted to sell his property. This additional piece would become part of the Lockwood Glen Subdivision.

Note:

This was previously approved by FMPC on May 26, 2016. However, the Ordinance approved on May 26, 2016, did not include the correct legal description of the properties to be rezoned. The Ordinance has been revised, and is attached to this memorandum.

Recommendation

Approval of the revised Ordinance 2016-19 is recommended to the Board of Mayor and Aldermen.

See attached pages for a list of staff recommended conditions of approval.

PROCEDURAL REQUIREMENTS:

1. If the plan receives BOMA approval, the applicant shall upload the corrected plan to the online plan review website (<https://franklin.contractorsplanroom.com/secure/>). All revisions to the approved plans shall be “clouded.” With the resubmittal, each condition of approval/open issue in the online plan review system shall contain a full response from the applicant as to the satisfaction or completion of that condition.
2. The city’s project identification number shall be included on all correspondence with any city department relative to this project.
