Statements From The Land Use Plan

SPECIAL AREA 6

1. The character of this area is largely established.
2. New development shall reflect the same character as the established area.
3. Neighborhood commercial uses are appropriate for the three lots fronting the connector street between Carothers Parkway and South Carothers Road and for the lot located immediately to the east of these three lots on the south side of South Carothers Road.

Background/Staff Comments

Lockwood Glen was originally approved in 2008. The City Staff and the developers have been working together to request that these properties be zoned Neighborhood Commercial for the use of the residents moving into this corridor. The Planning staff requested the applicants to look into the creation of Neighborhood Commercial zoning districts in this area and the applicant has agreed. This will match the recently rezoned properties across South Carothers to the southeast that were rezoned to Neighborhood Commercial. Staff also recommends that, should the surplus ROW land at intersection of Carothers Parkway and South Carothers Road be abandoned, this land should also be rezoned to the Neighborhood Commercial Zoning District.
