Background/Staff Comments

Resolution 2016-40/Ordinance 2016-27 is the document required to annex the 204.081 acres of property on the Franklin City Limits. The property is adjacent to the current City of Franklin Municipal limits and within the City's established Urban Growth Boundary (UGB). A development plan and rezoning accompany this Resolution/Ordinance.

Project Considerations

Project Considerations are not conditions of this approval, but are intended to highlight issues that should be considered in the overall site design or may be required when more detailed plans are submitted for review. These items are not meant to be exhaustive and all City requirements and ordinances must be met with each plan submittal.

If approved, this annexation request will completely surround the County Subdivisions Cross Creek and Franklin East Subdivisions.

Recommendation

Approval of Resolution 2016-40/Ordinance 2016-27 is recommended to the Board Of Mayor and Aldermen
