FROM: Eric Stuckey, City Administrator
Kristine Tallent, Assistant City Administrator/CFO
Mike Lowe, Comptroller

SUBJECT:
Monthly Reports for February

Purpose

The purpose of this memo is to provide information to the Franklin Board of Mayor and Aldermen (BOMA) concerning critical revenue streams that influence performance versus budget.

Background

The Finance Department and other departments of the City produce monthly reports on various revenues that the City receives. Those reports are included on the Budget & Finance committee agenda in order to keep the Committee apprised of revenue expectations and actual performance versus budgeted numbers.

Reports include:

- Local Sales Tax Report - November 2016
- Local Sales Tax Chart - November 2016
- Property Tax Report - December 2016
- Fuel Hedging Report - January 2017
- Transit Authority Report - December 2016
- Conference Center Report - December 2016
- Investment Report - December 2016
- Construction Activities Report - December 2016

Financial Impact

There is no financial impact from the reports. Reports are provided to show any variance from budget.

Recommendation

Reports are for information only.
