Subject

Consideration Of Resolution 2016-90, AS AMENDED, To Be Entitled: "A Resolution Adopting A Plan Of Services For The Annexation Of Three Properties Adjacent To and Including 4360 Long Lane, By The City Of Franklin, Tennessee." [Moss] (06/22/17 FMPC 9-0, 07/11/17 Work Session, Amended at 8/8/17 BOMA [7-0] and Public Hearing deferred to September 12, 2017.) (CONSENT AGENDA)

Project Information

Applicant: Greg Gamble, Gamble Design Collaborative
Owner: Barry Moss

Background/Staff Comments

This property is contiguous to the city limits along the north side of the property line. The property is surrounded by the Highlands at Ladd Park PUD Subdivision and will be required to extend existing roadway and infrastructure networks across the property. This property is within the Goose Creek Character Area, and the applicant's desire to develop this property as single family residential uses would be supported by Envision Franklin.

Due to discrepancies in the earlier Highlands at Ladd Park PUD annexation, this motion was amended at BOMA to ensure that all properties within this development request were correctly annexed, provided a plan of services, and zoned. As the original properties included in the annexation, plan of services, and zoning request changed at BOMA, these items are back before Planning Commission for concurrence of their previous recommendation.

Recommendation

Recommend favorably to the Board of Mayor and Aldermen.
