Subject

7007 Moores Lane PUD Subdivision, Site Plan, Lot 1, 1st Site Plan Extension Request. (CONSENT AGENDA)

Project Information

COF Project Number: 6253

Applicant: Sean DeCoster, Civil Site

Background/Staff Comments

The applicant is requesting the first of two possible site plan extensions for the project at 7007 Moores Lane. This is due to a potential buyer backing out of the original agreement, and securing a new buyer. Please see the attached letter for further description of the extension request. The project was originally reviewed by Planning Commission as it had an incompatible land use buffer on the property, and therefore Planning Commission must grant the first extension request.

Recommendation

Approval, extend the site plan expiration to April 27, 2018.
