**File #:** 17-1033, **Version:** 1

---

**DATE:** November 28, 2017

**TO:** Board of Mayor and Aldermen

**FROM:** Eric Stuckey, City Administrator  
Paul Holzen, City Engineer/Director of Engineering  
Jonathan Marston, Assistant Director of Engineering

**SUBJECT:**

Acknowledge Receipt of Downtown Parking Capacity and Management Study (COF Contract No. 2016-0230; 11/28/17 and 12/12/17 WS)

**Purpose**

The purpose of this memo is to provide information to the Franklin Board of Mayor and Aldermen (BOMA) concerning the current status of the Downtown Parking Capacity and Management Study.

**Background**

On August 9, 2016, the BOMA approved a professional services agreement (COF Contract No. 2016-0230) with Volkert, Inc. to study both existing and future parking in Downtown Franklin. As we are nearing the completion of the study, the project team would like to present the draft recommendations from the study.

These recommendations encompass the three (3) general areas of: Infrastructure, Management, and Operations. Following this presentation, the project team seeks input from the BOMA so that the study may be finalized.

**Financial Impact**

No financial impact at this time.

**Recommendation**

Staff appreciates the opportunity to present this information to the BOMA and welcomes any feedback.
