Background/Staff Comments

The purpose of this ordinance is to rezone 1.11 acres from the Neighborhood Commercial (NC) District to the Office Residential (OR) District at 1101 & 1107 W. Main St. The properties contain historic homes and are currently being used as residential, which is a nonconforming use in NC. The Envision Franklin Land Use Plan supports the rezoning request as the properties sit within the Office Residential Design Concept. No corresponding development plan or site plan has been submitted at this time.

Recommendation
