**File #:** 18-0120, **Version:** 1

---

**DATE:** January 31, 2018

**TO:** Board of Mayor and Aldermen

**FROM:** Eric Stuckey, City Administrator  
Mark Hilty, ACA Public Works  
Lisa Clayton, Parks Director  
Brian Walker, Parks Landscaping/Grounds Foreman

**SUBJECT:**  
Acknowledgement of COF Contract No. 2017-0266 PSA Clark Irrigation Design & Consulting, Inc.

### **Purpose**

The purpose of this memorandum is to provide information to the Franklin Board of Mayor and Aldermen (BOMA) concerning the professional service agreement for the design of the south side portion of Harlinsdale Park Irrigation System.

### **Background**

To help maintain the grounds at Harlinsdale Farms, the Parks Department sought consulting services with Clark Irrigation Design and Consulting, Inc to design a plan for the south portion of the farm where existing structures (main barn, event lawn, multi-purpose arena, general grounds, paddocks) and events take place. The overall design will assist in the maintenance, planning and preservation of green spaces often used during special events. Currently, effluent water is onsite and this plan will provide guidance to the Landscaping Division as we install irrigation lines for the overall landscaping phasing plan internally.

### **Financial Impact**

Total cost for the design is \$6,200 which is paid through the general Parks Department budget.

### **Recommendation**

This professional services agreement (COF Contract No. 2017-0266) has been entered into under authority granted to the City Administrator by the Board of Mayor and Aldermen.
