**SUBJECT:**

Professional Services Agreement (COF Contract No. 2017-0038) with KorTerra, Inc. for KorWeb Enhanced Services in the Amount of \$8,900.00

**Purpose**

The purpose of this memorandum is to provide information to the Franklin Board of Mayor and Aldermen (BOMA) concerning the Professional Services Agreement (COF Contract No. 2017-0038) with KorTerra, Inc. for KorWeb Enhanced Services.

**Background**

KorWeb is the software that is used for accepting, organizing, and distributing Tennessee One Call tickets (811) throughout the City when excavation is expected to occur. This service allows us to redistribute tickets automatically, based on service areas for each Utility Locator, rather than manually moving the tickets each day. This allows for a more efficient use of operations and quicker response times by the Utility Locating staff.

**Financial Impact**

The cost associated with this agreement was for an amount not to exceed \$8,900.00.

**Recommendation**

This agreement was entered under the authority granted to the City Administrator by the BOMA.
