DATE: February 26, 2019

TO: Board of Mayor and Aldermen

FROM: Eric Stuckey, City Administrator
Michelle Hatcher, Director Water Management Department

SUBJECT:

Contract No. 2019-0045 with Comcast Cable Communications Management, LLC, for Internet Services During Construction of the Water Reclamation Facility by Kiewit Infrastructure South Company

Purpose

The purpose of this memo is to provide information to the Franklin Board of Mayor and Aldermen (BOMA) concerning Comcast providing internet services for Kiewit Infrastructure South Company (Kiewit) for the construction at the Water Reclamation Facility.

Background

As part of the Water Reclamation Facility (WRF) construction, Kiewit has provided construction trailers for both entities, CDM Smith and Kiewit. As part of their contract with the City, they are required to provide internet services for both trailers and any visitors to the site. This Contract will allow Comcast to extend their line from Mack Hatcher into the WRF property and provide internet to the construction trailers for the duration of the project.

Financial Impact

There will be no financial impact to the City as this is part of the contract with Kiewit.

Recommendation

Staff recommends acceptance of this contract.
