DATE: October 4, 2019

TO: Board of Mayor and Aldermen

FROM: Eric Stuckey, City Administrator
Milissa Reiersen, Communications Manager

SUBJECT:
COF Contract No. 2019-0260, with Monsido, Inc. in the amount of \$4,990.00 for web accessibility services.

Purpose

The purpose of this memo is to notify the Board of Mayor and Aldermen (BOMA)

Background

Monsido is a web accessibility, digital governance platform. The software will allow us to keep up-to-date with accessibility guidelines; make sure our content is readable; check for misspellings and broken links; and provide analytics and Search Engine Optimization our site and pages. This purchase was approved in the FY 2019-2020 budget. The original platform listed in the budget was Site Improve. However, staff was able to find a more compatible platform (Monsido) at almost half the amount budgeted.

Financial Impact

The cost of the service is \$4990.

Recommendation

This agreement was executed by the City Administrator per authority granted by the BOMA.
